11th Annual Growing Dreams Floral Show and Luncheon

Featuring Floral Designer, Kevin Ylvisaker

The Fairmont Kea Lani Resort Wailea - August 6, 2011 8:30 – 1:30

April 22, 2011

Aloha,

YOUR HELP IS GREATLY NEEDED FOR THE CHILDREN OF MAUI!

With budget and funding cuts being made to the various service agencies on Maui and around the state, now is the time for all of us to dig deeper to extend a helping hand. This is the 11th year the fundraiser – ***Growing Dreams*** – will be held to support Maui Youth and Family Services. We are writing to humbly ask for your help.

At Maui Youth and Family Services we believe that youth can reach their goals with the help of caring, loving foster families and staff members. These children, regardless of their circumstances, deserve a chance to grow, and to become positive, contributing members of our island ohana.

The Fairmont Kea Lani Resort has welcomed us back for the **11th Annual Growing Dreams Floral Show and Luncheon on August 6, 2011**. Only through generous contributions from the community and local businesses are we able to make this event a success. All of the proceeds remain on Maui and are used to provide the essentials for our programs.

The enclosed form has several choices that you may consider – a sponsorship, a silent or live auction donation, and/or the purchase of tickets for the event. Please give this your heartfelt consideration and then follow the instructions on the form.

The Board of Maui Youth and Family Services and the volunteer members of the Growing Dreams committee would like to thank you in advance for your contribution, compassion and generosity.

Me Ke Aloha,

Helen McCord
2011 Growing Dreams Chair

Jud Cunningham
CEO
